Club Notes 21/09/2015

WCRFC Senior Squad

No matches for WCRFC senior squad this weekend. Some of the senior players filled their time by helping coach and train with the mini's teams on Sunday morning.

Next Sunday the 27th, Waterford City take on Newport in their first league game of the 2015-2016 season. Waterford City travel away to Newport and kick off for this game is 2.30pm. All support is welcome.

Mini's Rugby

A great session was had with the minis (U7 - U12) players in Kilbarry this Sunday morning. There was a good turnout and fortunately the weather held up. The big news however, was the presence of the senior players who had a day off from playing duties and decided to lend a hand with the regular coaches. The kids were delighted to have some of their heroes along, and who knows in a few short years from now we may have some of their talent in the senior ranks.

A big thank you to senior coach Peter Jones for setting the wheels in motion and making the day such a success and Paul O Reilly our Mini's rugby co-ordinator.

Date for your diaries: Sunday Oct. 4th is our first blitz of the season when we host Tramore and Clonmel with k.o. at 10:30. Parents - don't forget to bring catering for après-match.
