Senior Squad

Waterford City 13 v Kinsale 10

This Sunday the senior team were looking for their third league win in a row. Previous wins over Tralee and Mallow had given WCRFC a good start to the season and City was anxious to continue their winning ways. Kinsale put up a good fight against City and were ahead throughout the match. City did not give up trying and try in the last minute of the game by Joe Delahunty which was successfully converted saw City run out victorious.

Mini's Rugby

The mini's groups travelled to Waterpark on Sunday morning for the first blitz of the season. Some brilliant rugby was played but most importantly all the kids had great fun. A big thank you to all our coaches, to Dungarvan RFC and to Waterpark for hosting a well-run blitz. Training as usual on Sunday morning at 11am. Any outstanding registration forms and fees can still be submitted and paid on Sunday. New members are always welcome.
